

STUDENT'S COUNCIL

P R E S E N T A T I O N

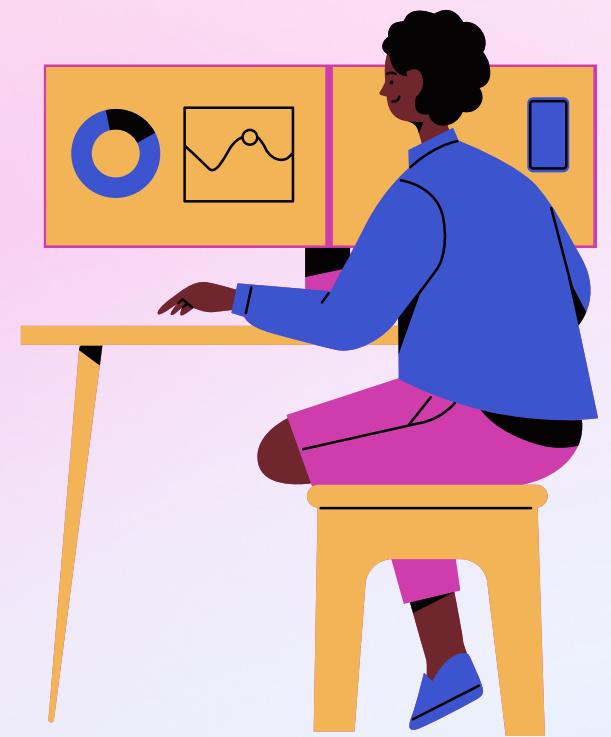

Presented by Âlone Walkers

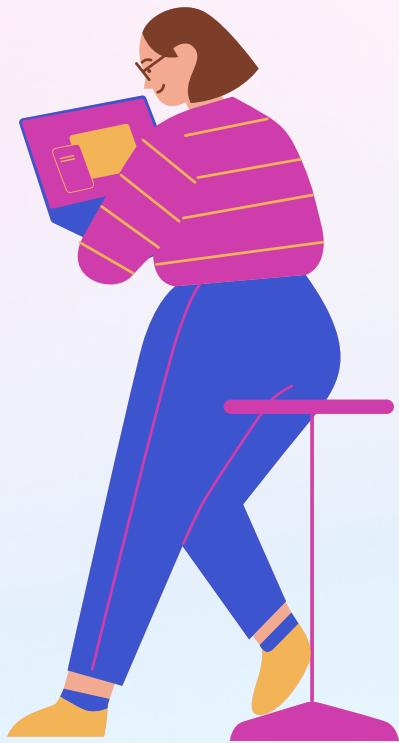

PROBLEM 1

Not everyone in the institute can enter or participate in the club's they wished.

PROBLEM 2

Not many students are eligible of knowing what they have to do for improving there skills.

PROBLEM 3

Students can't find about all the contents in various club's at a time.

SOLUTION 1

Our website provides every student a chance to apply for the club he favoured.

SOLUTION 2

Our website provides every student an analysis of what he is eligible and some suggestions to improve his skills.

SOLUTION 3

Our website is eligible of providing all the latest updates about contests in every club there is ,in one place.

OUR SERVICE

Our website allows every student to participate in the club's they wished and even tells if they are eligible for it or not, and also provides suggestions to improve there lacking skills.

REASONS

Three major reasons that why our website is currently needed in the college.

REASON 1

As currently all the club activities are going rapidly so our website provides updates on daily contests conducted in each club.

REASON 2

The fact that maximum students are interested in joining the club activities.

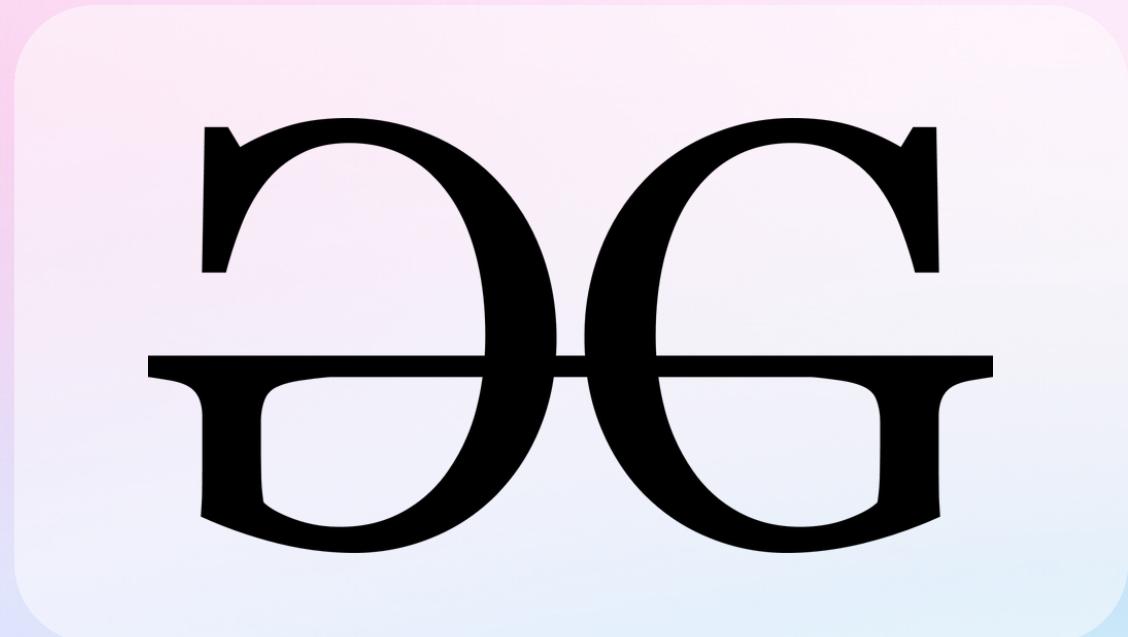

REASON 3

Our website tells the eligibility of the student to join the club's if not we provide suggestions to improve his skills.

CATEGORISE

This is the sample presentation's of how the club's will be categorised in our website.

SUMMARY

A brief explanation of our website .

1. Student council totally depends on personal development of an individual student. It helps a student to grow professionally in software industry.
2. It empowers students will power, endurance and persistance by providing suitable guidance.
3. It ensures that each student is updated on upcoming contests,hackathons globally.
4. It helps to know their position globally.
5. Inputs are given to students based on their current position, it helps to upgrade their level.
6. Selection for all types of student chapters are done online purely based on skills he/she have.
